Dear Hotel Management,

Corvin Talent Services is a **music management company**, recommending talented musicians particularly for luxurious hotels. We provide the highest quality, professional music through the talented, younger generation.

Our profile is to meet the expectations of a demanding clientele in the genres of **jazz, pop-jazz, blues, classical** and **world music**. The enchanting music, provided by these exceptional talents, may add to the pleasant environment at such a high standard hotel or event.

Please, feel free to leaf through this brochure, which may give an impression of the talented musicians and bands we can proudly offer.

Yours sincerely,  
Management team,  
Corvin Talent Services

Pippo Corvino Trio  
Guitar, piano, vocal

Pippo Corvino Trio performs wonderful guitar music accompanied with a singer and a pianist. **The soft melancholic sound** of his guitar and impressing technique whilst improvising - audiences cannot help but come under his **spell** of playing.

Pippo is mainly influenced by the greatest jazz guitarists in the history of jazz, however the guitarist is making his band more colorful with world music elements.

Beside a wonderful experience of a **guitar trio concert**, this formation is also suitable for the highest quality of background music in hotels.

## Kristina Trezune Duo Vocal & piano

Kristina Trezune Duo performs **high quality professional music** at hotels and music venues. In addition to concerts the duo also performs charming background music.

The Duo's portfolio includes the **Great American Songbook of Jazz Duets** covered with real originality. Besides **jazz duets**, the Duo's repertoire consists of beautiful **romantic** duets brightened with **folklore** and **pop-jazz** elements. The wonderful Latvian singer, Kristina Trezune formed her duo after meeting the pianist at the Montreux Jazz Fest.

The superb originality and resourcefulness that characterises the band, captures the attention of the audience at any high standard hotel.

## Gayer Matyas Trio

Piano, drums, bass

The Trio, playing straight ahead, **mainstream jazz**, was founded in the Academy of Fine Arts, Austria.

Matyas Gayer is considered to be one of the leaders of jazz's new generation. After picking up the influence in **New York**, the young pianist is bringing the real taste of jazz to the stages in his distinct contemporary style. In Europe the musicians perform in hotels like **Fairmont Le Montreux Palace, Grand Hotel Vienna** or Palace Lucerne. Due to the years long cooperation between the three talented young men, the harmony and liveliness of their performance enralls all audiences.

„Matyas Gayer is member of the leaders of jazz's new generation” - David Hazeltine, New York 2014

## Gerhard Ornig Quartet

Trumpet, piano, drums, bass

The trumpet quartet is considered to be the **most traditional and successful formation** of Jazz.

The young European trumpet player and composer, Gerhard Ornig's style roots back in Jazz, but in his music pieces he is looking for elements from other genres as well. After winning the International Riga Jazz Contest, Ornig moved to Amsterdam to establish his quartet.

The band, Ornig founded, has enough freedom for colourful improvisations, giving the key to his high standard in living Jazz. Enchanting melodies, **smooth** jazz, a bit of dodecaphony are giving the heart of their swinging music.

This formation provides a real **concert experience** for numerous audiences.

## Andrej Kapor Duo Classical violin & piano

Andrej Kapor was the **concert master** of the Budapest Bach Consort at the age of 17. The Serbian violinist is currently studying at Sibelius **Academy** in **Helsinki**. Building on his success, Kapor - our youngest talent we may offer -, became the violinist of the Orchestra of the Age of Enlightenment, London **Royal Academy of Music**. Besides his solo performances Kapor shares the stage with a pianist playing a wide variety of duo masterpieces from Sibelius, **Beethoven**, **Saint-Saens** and other classical geniuses. Kapor claims to be closest to the compositions of Brahms, Mozart and Bach.

The young violinist has the thrilling ability to impress both ordinary audiences and most demanding lovers of classical music.
